Client Testimonials

WAY of ADVENTURE

AFFECT

When it comes to building effective leadership teams by connecting individuals through their highest values... Jeff Salz is superb!

*~Kevin Turner, Chief Operating Office, Microsoft, Inc.*

INSPIRE

Inspirational! Jeff Salz breathes new life and fresh meaning into corporate social responsibility.

*~Matt Carey, Chief Technology Officer, eBay Inc.*

CONNECT

Your comments spoke right to what heart of what we wanted. You were very connected to all of them... even in a personal way. Thanks for your willingness to arrive earlier and take time to socialize at the dinner with the attendees. Everybody I spoke with (HP and companions) were more than happy,

they were completely delighted with the presentation!

ENERGIZE

Jeff Salz's phenomenal life story, and the energy he used to bring home the day for us, was simply amazing! His stories and images were great, the risks were incredible, and the sense of fulfillment that emanates from him is inspirational.

He took us to new heights!
